THE RIMON WAY

We believe that the future of the law belongs to decentralized and agile firms. Over the last decade, we have pioneered a new type of law firm that combines the key strengths of the traditional model with the flexibility of the digital age, offering both improved delivery of client services and attorney job satisfaction.

Innovation is one of the defining principles of Rimon. The firm was founded on challenging industry standards. Embracing new technologies clients come always first. Rimon's Partners were meticulously drawn from the top ranks of premier law firms, international corporations, and academia. Their experience and education ensure our clients receive consistently excellent and comprehensive counsel.

Rimon takes an innovative approach to legal practice and has a transparent economic model to facilitate effective collaboration across practice groups. Rimon's unique model empowers its attorneys to freely utilize cloud-based technology and set individualized economic value propositions with their clients.

Rimon has been a leader in flexible, digital working since its inception in 2008. As a full-service firm with over 50+ locations globally, we are pleased to offer our clients the highest quality of legal services with the flexibility of the Rimon way of practicing law.

HAPPIER ATTORNEYS AND BETTER SERVED CLIENTS - THAT IS THE RIMON WAY
